

mirana::mbc_d

```
graph LR; A[mirana::mbc_d] --> B[mirana::mirana_exception]
```

A diagram showing a relationship between two identifiers. On the left, a gray rectangular box contains the text 'mirana::mbc_d'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'mirana::mirana_exception'. Both boxes have a black border.

mirana::mirana_exception
